If you are unavailable on your scheduled time, please use this list to switch with others. Once you have found someone to take your place, please text or email me so I know who to expect on Sundays.

Please fill out and return the background check forms. If we have not run one in 3 years we will run it again.

Please be on time for other parents who will need to drop off and go serve on Praise team, greet, or teach.

The website with our curriculum is <http://www.resourcewell.org/children-ministry/curriculum>. We are on year three this fall. I will email you the specific lesson on Monday. There is not a lesson in the infant room. You are not expected to cover the entire lesson, but choose the activities that get you excited! In the 2- 3 year olds, a 10-15 minutes attention span is all you will have. Please ask me if you need help finding or using the curriculum website.

In Rick and Keith's rooms, they plan the lesson and you are crowd control. If they will be gone, they will let you know.

If you need specific supplies for your room, let me know. We may have it or I can run to the store.

If you bring or serve snacks, please check the attendance sheet for allergies. We keep some gluten free snacks on hand in the preschool area.

Best Advice: If you don't make plans, the kids will have plans for you. ☺
