

August 3-7

Encounter Cove

1650 Koehler Dr. Roach, MO 65787
(573) 832-3330

Times:

Wednesday:

Leave Memorial at 4:00pm

Sunday:

Return to Memorial at noon

Safety:

We want everyone to be safe and healthy for a great camp experience. For COVID Safety, temperatures will be taken before getting on the bus. Temperatures 100 degrees or more will be asked to stay home. We will also randomly check temperatures throughout our time there. Bunk rooms will be spaced out and sleeping will be alternating upper and lower bunks. We are the only group attending this large camp so we should have plenty of space to spread out.

Friday we will work at Encounter Camp with cleanup, possibly painting, minor repairs, cutting brush, etc. Closed toed shoes are required, jeans would be a good idea.

Life jackets are required at the lake and a life guard will be on duty while we are there.

Food allergies & medications should be reported to Tisha Spencer before leaving for camp.
